INTRODUCTION

Piracy of copyrighted and trademarked works is a multi-billion dollar, global industry of theft. The piracy of legal adult entertainment is the training ground for all other forms of online piracy – audio books, television shows, digital music files, and general release Hollywood movies. USA Today wrote, “Online porn often leads high-tech way”

[http://www.usatoday.com/money/industries/technology/2004-03-09-](http://www.usatoday.com/money/industries/technology/2004-03-09-onlineporn_x.htm)

[onlineporn_x.htm](http://www.usatoday.com/money/industries/technology/2004-03-09-onlineporn_x.htm) and it is a fact that pornography lead the technological advances and mass acceptance of VHS, DVD's, the growth of the Internet, streaming video, online advertising, online payment processing, and downloads. Online piracy of pornography has lead the way for piracy of more mainstream copyrighted works; it has provided a roadmap at a significant cost to the legitimate and legal adult and mainstream entertainment industries. The pirates of pornography train like professional sports players before a big game; they are masterful at their craft and execute with precision. They diligently find ways to hide assets and identities while exploiting weaknesses in their prey. Piracy such as that committed by Defendants is committed only for profit; no party engages in piracy out of any feeling of philanthropic responsibility or to further constitutional free expression. The Rand Institute's 2009 publication *Film, Piracy, Organized Crime, and Terrorism* determined that "Piracy is high in payoff – with profit margins greater than those of illegal narcotics – and low in risk often taking place under the radar of law enforcement. In addition, terrorist groups have in some cases used the proceeds of film piracy to finance their activities. Besides being a threat to the global information economy, counterfeiting threatens public safety and national security." http://www.rand.org/pubs/monographs/2009/RAND_MG742.pdf

Piracy is not a victimless crime and piracy of legal adult materials leads to greater occurrences of piracy across all other forms of online intellectual property. It is against this backdrop that the following Complaint is respectfully submitted to the Court.

11. Plaintiff has expended considerable effort and expense in promoting its trademark and the goods sold under the trademark service mark design of two human female figures. As a result, the purchasing public has come to know, rely upon and recognize the mark design of two human female figures as identifying Plaintiff's work, an international brand of high quality entertainment.

12. Plaintiff's PIRATE trademark and service mark has been continuously used in commerce since at least February 24, 2000. U.S. Trademark Registration No. 3137445 was registered on September 5, 2006.

As a result, the purchasing public has come to know, rely upon and recognize the mark THE PRIVATE LIFE OF as an international brand of high quality entertainment.

17. Plaintiff has produced in excess of 1,000 full-length adults-only or adult-oriented audio-visual works and holds over 75 United States copyrights for its works.

18. Defendant IG Media Inc. is a company claiming to do business at 2376 West 19th Avenue, Vancouver, British Columbia V6L 1C6 Canada.

19. Defendants do business as YouJizz.com and JizzHut.com and operate the websites www.youjizz.com and www.jizzhut.com.

20. Defendant IG Media Inc. competes against Plaintiff in the distribution and sale of adults-only audio-visual works through Internet distribution.

21. Upon information and belief, Plaintiff avers that each Defendant, individually, corporately, jointly and/or severally, acted intentionally, knowingly, negligently or through willful blindness, as an agent, or representative of each and

every, all and singular, the other Defendants, and acted to further the ends of the illegal and improper purposes alleged herein in a common course or scheme to infringe on the Plaintiff's copyrighted intellectual property for illegal profit and monetary gain.

STATEMENT OF FACTS

22. Upon information and belief, YouJizz.com is a website that provides adult-oriented audio-visual content to the general public without request for age-verification.

23. Upon information and belief, the JizzHut.com website is visited by over 450,000 internet surfers per month; the YouJizz.com website is visited by nearly FIVE MILLION internet surfers per month. [See Attachments 1 and 2 Compete.com results with estimates and public details]. YouJizz was ranked #163 by Alexa as of April 14, 2011. JizzHut was ranked #2251 by Alexa as of April 14, 2011. [See Attachments 3 and 4 Alexa.com rankings]. Alexa ranks websites by the amount of traffic, or number of web surfers that visit each website every day. For comparison purposes only, Chase.com, FoxNews.com, The Wall Street Journal (wsj.com) and Wal-Mart Online (walmart.com) achieved rankings of 168, 173, 203, and 300, respectively, meaning that YouJizz.com has more daily visitors than

any of those websites. The number of Iowa-based views per month will be determined during discovery.

24. Copyright law states that any material that is "reproduced, performed, publicly displayed, or made into a derivative work without permission" is an illegal violation of the rights of the copyright owner. By its definition each view constitutes a separate and distinct instance of infringement that is produced on a viewer's computer. Plaintiff's intellectual property has been available for months and for some videos, years, on Defendant's website. With the enormous amount of internet users on Defendant's website, the number of uncompensated views grows daily thus furthering the number of copyright infringements and contributing to the further dilution of the Plaintiff's trade and service marks.

25. Upon information and belief, Defendant provides "embed" links that allow third parties to display Plaintiff's intellectual property to third parties on third party websites for the purpose of deriving traffic back to YouJizz.com or JizzHut.com. This significantly increases the number of views. This number grows daily thus furthering the number of copyright infringements and contributing to the further dilution of the Plaintiff's trade and service marks.

26. Upon information and belief, a large portion of videos available on the websites appear to be copyrighted videos that, upon information and belief, are not

owned by Defendant but are owned by well-known and long-established members of the adult oriented audio visual entertainment industry.

27. Plaintiff owns the worldwide rights to its extensive archive of high-quality content and also licenses its trademarks internationally for a select range of luxury consumer products.

28. Plaintiff has dedicated significant resources to create, distribute, and protect its works. In addition, Plaintiff dedicates resources to be in compliance with applicable laws in order to protect the integrity of their works and the overall adult entertainment industry.

29. The viability and profitability of Plaintiff is based upon monies and revenue earned from Plaintiff's intellectual property, including copyrights in Plaintiff's films.

30. The Internet, in conjunction with recent significant advances in technology, hardware and software, has resulted in the availability of effective means for circumventing the intellectual property ownership rights in nearly every industry, including adult entertainment. The pervasive and intense online infringement is nearly crippling the adult entertainment industry, providing unfettered, unregulated, free access to copyrighted works originally produced by reputable businesses and persons.

31. Upon information and belief, these infringers are without any accountability to governmental requirements or regulations, without any actual investment in the creation of the works, and without any commitment to the vision of the future of the industry. Nonetheless, these infringers utilize, display, and distribute copyrighted works for which they have no right or proper license for their own commercial and significant financial benefit. These actions have caused and continue to cause significant damage to the business and reputation of the true copyright owners.

32. Upon information and belief, Infringers, such as Defendant IG Media Inc. through its websites YouJizz.com and JizzHut.com, have taken advantage of the existence of legitimate Web sites that properly facilitate the exchange of user-generated content. Defendant is truly a subscription membership web site hiding behind the veneer of a simple user-generated content exchange site. Defendant's websites are designed for the sole purpose of taking commercial advantage of copyrighted works without any authority whatsoever and derive benefit from the copyrighted works. This significant commercial and financial advantage is obtained without purchasing licensing from the copyright holder nor incurring the significant expense of creating and generating the content itself.

33. Upon information and belief, Defendant IG Media Inc. has created, owns, and/or operates the Internet Web sites www.YouJizz.com and

www.JizzHut.com. In concert with the Doe Defendants, Defendant uses these sites to display and distribute Plaintiff's films, among others, to Internet Users.

Defendant and the Doe Defendants each know, or have reason to know, that there is no proper license or authority to display and distribute Plaintiff's films on Defendant's websites and no proper license or authority to obtain commercial financial gain from such display and distribution. Defendants use their websites to gather a vast and extensive collection of infringed films to display and distribute. The websites are one-stop shops for infringing material. A very large portion of the content indexed on or available on the website is infringing, unauthorized copyrighted content, including Plaintiff's copyrighted works. The fundamental purpose of the website is to capitalize on the illegal dissemination and contribute to the illegal dissemination of infringing works. This display and distribution provides Defendant with significant monthly revenues, and hinders Plaintiff's rightful ability to derive financial benefits from their own films.

34. Upon information and belief, the display and distribution of Plaintiff's films are accompanied by advertisements that generate Defendant annual revenue estimated in tens of millions of dollars. Advertisers purchase ad space on certain pages and in certain locations on YouJizz.com or JizzHut.com due to the known or estimated Internet traffic that views the particular page or location. The volume of Internet traffic on such page or location is directly attributable to the quality of

content displayed and distributed. Thus, the quality of Plaintiff's films is directly responsible for the revenue generated by the sale of ad space on Defendant's websites.

35. Upon information and belief, the commercial financial benefit and deception regarding the purpose of Defendant's websites is not limited to the large revenues generated through sale of third party advertising space. As opposed to legitimate user generated content exchange sites, Defendant's websites induce the Internet user to pay subscription fees.

36. Upon information and belief, YouJizz.com allows users to view the full length of Plaintiff's films or download Plaintiff's film to the user's computer [See Attachment 5, Page from YouJizz website]. If the Internet user wishes to view the film in High Definition, or download in HQ MP or iPod format, the user is presented the option by becoming a member of the respective website. The Free Membership includes a "free" trial membership to Premier Passport, which automatically rebills monthly at \$39.95 if the surfer does not cancel prior to the end of the Trial Period. [See Attachment 7, YouJizz-HDFree.com Terms and Conditions of Membership]. Both websites have identical Join Pages, and both inform the prospective member that "Charges will appear on your card as 'SMARTPMTS.com' " or other merchant identification including "SETUPREPS.COM".

37. Upon information and belief, Defendant's websites offer viewing choices of standard definition and high definition. If the Internet user wishes to see the film in high definition, the user must sign up as a member of Defendant's website.

38. Upon information and belief, when a user on Defendant's websites desires to view an entire Plaintiff film in high-definition, the user is tricked to commit to subscription services with no benefit to Plaintiff. If Defendant does not provide Plaintiff's films in high definition as part of the Defendant's Premier Membership, Defendant has used Plaintiff's copyrighted films to solicit membership for Defendant with no benefit to Plaintiff.

39. Upon information and belief, the Internet user, initially lead to believe that Defendant's websites are completely free viewing sites, is presented with paid options to enhance the viewing experience of unauthorized works owned by Plaintiff. The user is permitted to view the films in high definition and download the films only with further financial benefit to Defendant. Defendants give away unauthorized viewing of Plaintiff's property and sell unauthorized copies of Plaintiff's property without any benefit to Plaintiff.

40. Upon information and belief, Plaintiff's copyrighted works have been and continued to be infringed by Defendant and the Doe Defendants through the reproduction, distribution, and public display of Plaintiff's films by and through

the Internet Web sites YouJizz.com and JizzHut.com for which Defendant IG Media Inc. owns the domain registrations and to which Defendant IG Media Inc. and the Doe Defendants, members of the site, provide essential equipment and support.

41. Upon information and belief, the high volume of Internet traffic generated at Defendant's websites is due to the option Internet users are presented in viewing the infringed content for free, rather than obtaining the viewing rights legally and knowingly paying for such rights.

42. On or about February 2011, an initial search of Defendant's websites revealed and documented hundreds of separate instances of copyright infringement of Plaintiff's copyrighted and trademarked intellectual property. As of the date of this Complaint, a total of 125 works, identified in the following paragraphs, were documented as being displayed and distributed on YouJizz.com and JizzHut.com. Each of these films were displayed and distributed by Defendant IG Media Inc. and the Doe Defendants, each individually and acting in concert with each other, without the consent of, or licensing by, Fraserside, the copyright owner and registrant of the motion picture.

43. Upon information and belief, Defendant IG Media Inc. has actual knowledge and clear notice of this extensive infringement of Plaintiff's titles. The infringement is clear and obvious even to the most naïve observer. Plaintiff's and

other major producers' trademarks are used to index infringing material which is evidence of knowledge and intent.

44. By virtue of the conduct alleged herein, Defendants knowingly promote, participate in, facilitate, assist, enable, materially contribute to, encourage, and induce copyright and trademark infringement, and thereby have infringed, secondarily infringed, and induced infringement by others, the copyrights and trademarks in Plaintiff's copyrighted work, including but not limited to those listing the paragraphs below.

CLAIMS FOR RELIEF

COUNT I

Copyright Infringement

45. Plaintiff restates Paragraphs 1-44 as if fully set forth herein.

46. Plaintiff is the sole owner of all right, title and interest in and to each of the audio-visual works referenced herein and covered by Plaintiff's registered copyrights, and of all corresponding copyright and Certificates of Registration.

47. By virtue of its copyright registrations, Plaintiff has the exclusive right to display, sell or license its copyrighted content.

48. Defendants have copied, reproduced, distributed, adapted, and/or publicly displayed Plaintiff's copyrighted works without the consent or authority of the Plaintiff, thereby directly infringing Plaintiff's copyrights.

49. Defendants' actions constitute infringements of Plaintiff's copyrights and exclusive rights under copyright in violation of 17 U.S.C. §§ 106 and 501 *et seq.*

50. The infringement of Plaintiff's rights in and to each of the audio-visual works constitutes a separate and distinct act of infringement
